

Exodus 36

Englische King James Version von 1611/1769 mit Strongs

1 Then wrought^{H6213} Bezaleel^{H1212} and Aholiab^{H171}, and every wise^{H2450} hearted^{H3820} man^{H376}, in whom^{H1992} the LORD^{H3068} put^{H5414} wisdom^{H2451} and understanding^{H8394} to know^{H3045} how to work^{H6213} all manner of work^{H4399} for the service^{H5656} of the sanctuary^{H6944}, according to all that the LORD^{H3068} had commanded^{H6680}. 2 And Moses^{H4872} called^{H7121} Bezaleel^{H1212} and Aholiab^{H171}, and every wise^{H2450} hearted^{H3820} man^{H376}, in whose heart^{H3820} the LORD^{H3068} had put^{H5414} wisdom^{H2451}, even every one whose heart^{H3820} stirred him up^{H5375} to come^{H7126} unto the work^{H4399} to do^{H6213} it: 3 And they received^{H3947} of^{H6440} Moses^{H4872} all the offering^{H8641}, which the children^{H1121} of Israel^{H3478} had brought^{H935} for the work^{H4399} of the service^{H5656} of the sanctuary^{H6944}, to make^{H6213} it withal. And they brought^{H935} yet unto him free offerings^{H5071} every morning^{H1242}. 4 And all the wise men^{H2450}, that wrought^{H6213} all the work^{H4399} of the sanctuary^{H6944}, came^{H935} every man^{H376} from his work^{H4399} which they made^{H6213}; 5 And they spake^{H559} unto Moses^{H4872}, saying^{H559}, The people^{H5971} bring^{H935} much more^{H7235} than enough^{H1767} for the service^{H5656} of the work^{H4399}, which the LORD^{H3068} commanded^{H6680} to make^{H6213}. 6 And Moses^{H4872} gave commandment^{H6680}, and they caused it to be proclaimed^{H6963 H5674} throughout the camp^{H4264}, saying^{H559}, Let neither man^{H376} nor woman^{H802} make^{H6213} any more work^{H4399} for the offering^{H8641} of the sanctuary^{H6944}. So the people^{H5971} were restrained^{H3607} from bringing^{H935}. 7 For the stuff^{H4399} they had was sufficient^{H1767} for all the work^{H4399} to make^{H6213} it, and too much^{H3498}.

8 And every wise^{H2450} hearted man^{H3820} among them that wrought^{H6213} the work^{H4399} of the tabernacle^{H4908} made^{H6213} ten^{H6235} curtains^{H3407} of fine twined^{H7806} linen^{H8336}, and blue^{H8504}, and purple^{H713}, and scarlet^{H8144 H8438}: with cherubims^{H3742} of cunning^{H2803} work^{H4639} made^{H6213} he them. 9 The length^{H753} of one^{H259} curtain^{H3407} was twenty^{H6242} and eight^{H8083} cubits^{H520}, and the breadth^{H7341} of one^{H259} curtain^{H3407} four^{H702} cubits^{H520}: the curtains^{H3407} were all of one^{H259} size^{H4060}. 10 And he coupled^{H2266} the five^{H2568} curtains^{H3407} one^{H259} unto another^{H259}: and the other five^{H2568} curtains^{H3407} he coupled^{H2266} one^{H259} unto another^{H259}. 11 And he made^{H6213} loops^{H3924} of blue^{H8504} on the edge^{H8193} of one^{H259} curtain^{H3407} from the selvedge^{H7098} in the coupling^{H4225}: likewise he made^{H6213} in the uttermost^{H7020} side^{H8193} of another curtain^{H3407}, in the coupling^{H4225} of the second^{H8145}. 12 Fifty^{H2572} loops^{H3924} made^{H6213} he in one^{H259} curtain^{H3407}, and fifty^{H2572} loops^{H3924} made^{H6213} he in the edge^{H7097} of the curtain^{H3407} which was in the coupling^{H4225} of the second^{H8145}: the loops^{H3924} held^{H6901} one^{H259} curtain to another^{H259}. 13 And he made^{H6213} fifty^{H2572} taches^{H7165} of gold^{H2091}, and coupled^{H2266} the curtains^{H3407} one^{H259} unto another^{H259} with the taches^{H7165}: so it became one^{H259} tabernacle^{H4908}.

14 And he made^{H6213} curtains^{H3407} of goats^{H5795} hair for the tent^{H168} over the tabernacle^{H4908}: eleven^{H6249 H6240} curtains^{H3407} he made^{H6213} them. 15 The length^{H753} of one^{H259} curtain^{H3407} was thirty^{H7970} cubits^{H520}, and four^{H702} cubits^{H520} was the breadth^{H7341} of one^{H259} curtain^{H3407}: the eleven^{H6249 H6240} curtains^{H3407} were of one^{H259} size^{H4060}. 16 And he coupled^{H2266} five^{H2568} curtains^{H3407} by themselves, and six^{H8337} curtains^{H3407} by themselves. 17 And he made^{H6213} fifty^{H2572} loops^{H3924} upon the uttermost^{H7020} edge^{H8193} of the curtain^{H3407} in the coupling^{H4225}, and fifty^{H2572} loops^{H3924} made^{H6213} he upon the edge^{H8193} of the curtain^{H3407} which coupleth^{H2279} the second^{H8145}. 18 And he made^{H6213} fifty^{H2572} taches^{H7165} of brass^{H5178} to couple^{H2266} the tent^{H168} together^{H2266}, that it might be one^{H259}. 19 And he made^{H6213} a covering^{H4372} for the tent^{H168} of rams^{H352} skins^{H5785} dyed red^{H1119}, and a covering^{H4372} of badgers^{H8476} skins^{H5785} above^{H4605} that. 20 And he made^{H6213} boards^{H7175} for the tabernacle^{H4908} of shittim^{H7848} wood^{H6086}, standing up^{H5975}. 21 The length^{H753} of a board^{H7175} was ten^{H6235} cubits^{H520}, and the breadth^{H7341} of a board^{H7175} one^{H259} cubit^{H520} and a half^{H2677}. 22 One^{H259} board^{H7175} had two^{H8147} tenons^{H3027}, equally distant^{H7947} one^{H259} from^{H413} another^{H259}: thus did he make^{H6213} for all the boards^{H7175} of the tabernacle^{H4908}. 23 And he made^{H6213} boards^{H7175} for the tabernacle^{H4908}, twenty^{H6242} boards^{H7175} for the south^{H5045} side^{H6285} southward^{H8486}: 24 And forty^{H705} sockets^{H134} of silver^{H3701} he made^{H6213} under the twenty^{H6242} boards^{H7175}; two^{H8147} sockets^{H134} under one^{H259} board^{H7175} for his two^{H8147}

tenons^{H3027}, and two^{H8147} sockets^{H134} under another^{H259} board^{H7175} for his two^{H8147} tenons^{H3027}. **25** And for the other^{H8145} side^{H6763} of the tabernacle^{H4908}, which is toward the north^{H6828} corner^{H6285}, he made^{H6213} twenty^{H6242} boards^{H7175}, **26** And their forty^{H705} sockets^{H134} of silver^{H3701}; two^{H8147} sockets^{H134} under one^{H259} board^{H7175}, and two^{H8147} sockets^{H134} under another^{H259} board^{H7175}. **27** And for the sides^{H3411} of the tabernacle^{H4908} westward^{H3220} he made^{H6213} six^{H8337} boards^{H7175}. **28** And two^{H8147} boards^{H7175} made^{H6213} he for the corners^{H4742} of the tabernacle^{H4908} in the two sides^{H3411}. **29** And they were coupled^{H8382} beneath^{H4295}, and coupled^{H8382} together^{H3162} at the head^{H7218} thereof, to one^{H259} ring^{H2885}: thus he did^{H6213} to both^{H8147} of them in both^{H8147} the corners^{H4740}. **30** And there were eight^{H8083} boards^{H7175}, and their sockets^{H134} were sixteen^{H8337} sockets^{H134} of silver^{H3701}, under every^{H259} board^{H7175} two^{H8147} sockets^{H134}. **31** And he made^{H6213} bars^{H1280} of shittim^{H7848} wood^{H6086}; five^{H2568} for the boards^{H7175} of the one^{H259} side^{H6763} of the tabernacle^{H4908}, **32** And five^{H2568} bars^{H1280} for the boards^{H7175} of the other^{H8145} side^{H6763} of the tabernacle^{H4908}, and five^{H2568} bars^{H1280} for the boards^{H7175} of the tabernacle^{H4908} for the sides^{H3411} westward^{H3220}. **33** And he made^{H6213} the middle^{H8484} bar^{H1280} to shoot^{H1272} through^{H8432} the boards^{H7175} from the one end^{H7097} to the other^{H7097}. **34** And he overlaid^{H6823} the boards^{H7175} with gold^{H2091}, and made^{H6213} their rings^{H2885} of gold^{H2091} to be places^{H1004} for the bars^{H1280}, and overlaid^{H6823} the bars^{H1280} with gold^{H2091}.

35 And he made^{H6213} a vail^{H6532} of blue^{H8504}, and purple^{H713}, and scarlet^{H8144} H8438, and fine twined^{H7806} linen^{H8336}: with cherubims^{H3742} made^{H6213} he it of cunning^{H2803} work^{H4639}. **36** And he made^{H6213} thereunto four^{H702} pillars^{H5982} of shittim^{H7848} wood, and overlaid^{H6823} them with gold^{H2091}: their hooks^{H2053} were of gold^{H2091}; and he cast^{H3332} for them four^{H702} sockets^{H134} of silver^{H3701}. **37** And he made^{H6213} an hanging^{H4539} for the tabernacle^{H168} door^{H6607} of blue^{H8504}, and purple^{H713}, and scarlet^{H8144} H8438, and fine twined^{H7806} linen^{H8336}, of needlework^{H7551} H4639, **38** And the five^{H2568} pillars^{H5982} of it with their hooks^{H2053}: and he overlaid^{H6823} their chapters^{H7218} and their fillets^{H2838} with gold^{H2091}: but their five^{H2568} sockets^{H134} were of brass^{H5178}.

Fußnoten

1. coupled: Heb. twinned
2. under...: Heb. two sockets, two sockets under one board
3. of needlework: Heb. the work of a needleworker or, embroiderer
