

Ezekiel 40

Englische King James Version von 1611/1769 mit Strongs

1 In the five^{H2568} and twentieth^{H6242} year^{H8141} of our captivity^{H1546}, in the beginning^{H7218} of the year^{H8141}, in the tenth^{H6218} day of the month^{H2320}, in the fourteenth^{H702 H6240} year^{H8141} after^{H310} that the city^{H5892} was smitten^{H5221}, in the selfsame^{H6106} day^{H3117} the hand^{H3027} of the LORD^{H3068} was upon me, and brought^{H935} me thither. 2 In the visions^{H4759} of God^{H430} brought^{H935} he me into the land^{H776} of Israel^{H3478}, and set^{H5117} me upon a very^{H3966} high^{H1364} mountain^{H2022}, by which was as the frame^{H4011} of a city^{H5892} on the south^{H5045}. 3 And he brought^{H935} me thither, and, behold, there was a man^{H376}, whose appearance^{H4758} was like the appearance^{H4758} of brass^{H5178}, with a line^{H6616} of flax^{H6593} in his hand^{H3027}, and a measuring^{H4060} reed^{H7070}; and he stood^{H5975} in the gate^{H8179}. 4 And the man^{H376} said^{H1696} unto me, Son^{H1121} of man^{H120}, behold^{H7200} with thine eyes^{H5869}, and hear^{H8085} with thine ears^{H241}, and set^{H7760} thine heart^{H3820} upon all that I shall shew^{H7200} thee; for to the intent^{H4616} that I might shew^{H7200} them unto thee art thou brought^{H935} hither: declare^{H5046} all that thou seest^{H7200} to the house^{H1004} of Israel^{H3478}.

5 And behold a wall^{H2346} on the outside^{H2351} of the house^{H1004} round about^{H5439}, and in the man's^{H376} hand^{H3027} a measuring^{H4060} reed^{H7070} of six^{H8337} cubits^{H520} long by the cubit^{H520} and an hand breadth^{H2948}: so he measured^{H4058} the breadth^{H7341} of the building^{H1146}, one^{H259} reed^{H7070}; and the height^{H6967}, one^{H259} reed^{H7070}. 6 Then came^{H935} he unto the gate^{H8179} which looketh^{H6440} toward^{H1870} the east^{H6921}, and went up^{H5927} the stairs^{H4609} thereof, and measured^{H4058} the threshold^{H5592} of the gate^{H8179}, which was one^{H259} reed^{H7070} broad^{H7341}; and the other^{H259} threshold^{H5592} of the gate, which was one^{H259} reed^{H7070} broad^{H7341}. 7 And every little chamber^{H8372} was one^{H259} reed^{H7070} long^{H753}, and one^{H259} reed^{H7070} broad^{H7341}; and between the little chambers^{H8372} were five^{H2568} cubits^{H520}; and the threshold^{H5592} of the gate^{H8179} by^{H681} the porch^{H197} of the gate^{H8179} within^{H1004} was one^{H259} reed^{H7070}. 8 He measured^{H4058} also the porch^{H197} of the gate^{H8179} within^{H1004}, one^{H259} reed^{H7070}. 9 Then measured^{H4058} he the porch^{H197} of the gate^{H8179}, eight^{H8083} cubits^{H520}, and the posts^{H352} thereof, two^{H8147} cubits^{H520}; and the porch^{H197} of the gate^{H8179} was inward^{H1004}. 10 And the little chambers^{H8372} of the gate^{H8179} eastward^{H1870 H6921} were three^{H7969} on this side^{H6311}, and three^{H7969} on that side^{H6311}, they three^{H7969} were of one^{H259} measure^{H4060}: and the posts^{H352} had one^{H259} measure^{H4060} on this side and on that side. 11 And he measured^{H4058} the breadth^{H7341} of the entry^{H6607} of the gate^{H8179}, ten^{H6235} cubits^{H520}; and the length^{H753} of the gate^{H8179}, thirteen^{H7969 H6240} cubits^{H520}. 12 The space^{H1366} also before^{H6440} the little chambers^{H8372} was one^{H259} cubit^{H520} on this side, and the space^{H1366} was one cubit^{H520} on that side: and the little chambers^{H8372} were six^{H8337} cubits^{H520} on this side, and six^{H8337} cubits^{H520} on that side.³ 13 He measured^{H4058} then the gate^{H8179} from the roof^{H1406} of one little chamber^{H8372} to the roof^{H1406} of another: the breadth^{H7341} was five^{H2568} and twenty^{H6242} cubits^{H520}, door^{H6607} against door^{H6607}. 14 He made^{H6213} also posts^{H352} of threescore^{H8346} cubits^{H520}, even unto the post^{H352} of the court^{H2691} round about^{H5439} the gate^{H8179}. 15 And from the face^{H6440} of the gate^{H8179} of the entrance^{H2978} unto the face^{H6440} of the porch^{H197} of the inner^{H6442} gate^{H8179} were fifty^{H2572} cubits^{H520}. 16 And there were narrow^{H331} windows^{H2474} to the little chambers^{H8372}, and to their posts^{H352} within^{H6441} the gate^{H8179} round about^{H5439}, and likewise to the arches^{H361}: and windows^{H2474} were round about^{H5439} inward^{H6441}: and upon each post^{H352} were palm trees^{H8561 456}. 17 Then brought^{H935} he me into the outward^{H2435} court^{H2691}, and, lo, there were chambers^{H3957}, and a pavement^{H7531} made^{H6213} for the court^{H2691} round about^{H5439}: thirty^{H7970} chambers^{H3957} were upon the pavement^{H7531}. 18 And the pavement^{H7531} by the side^{H3802} of the gates^{H8179} over against^{H5980} the length^{H753} of the gates^{H8179} was the lower^{H8481} pavement^{H7531}. 19 Then he measured^{H4058} the breadth^{H7341} from the forefront^{H6440} of the lower^{H8481} gate^{H8179} unto the forefront^{H6440} of the inner^{H6442} court^{H2691} without^{H2351}, an hundred^{H3967} cubits^{H520} eastward^{H6921} and northward^{H6828}. 20 And the gate^{H8179} of the outward^{H2435} court^{H2691} that looked^{H6440} toward^{H1870} the north^{H6828}, he measured^{H4058} the length^{H753} thereof, and the breadth^{H7341} thereof.⁸ 21 And the little chambers^{H8372} thereof were three^{H7969} on this side and three^{H7969} on that side; and the posts^{H352} thereof and the arches^{H361} thereof were after the measure^{H4060} of the first^{H7223} gate^{H8179}: the length^{H753} thereof was fifty^{H2572} cubits^{H520}, and the breadth^{H7341} five^{H2568} and twenty^{H6242} cubits^{H520}.⁹ 22 And their

windows^{H2474}, and their arches^{H361}, and their palm trees^{H8561}, were after the measure^{H4060} of the gate^{H8179} that looketh^{H6440} toward^{H1870} the east^{H6921}; and they went up^{H5927} unto it by seven^{H7651} steps^{H4609}; and the arches^{H361} thereof were before^{H6440} them. **23** And the gate^{H8179} of the inner^{H6442} court^{H2691} was over against the gate^{H8179} toward the north^{H6828}, and toward the east^{H6921}; and he measured^{H4058} from gate^{H8179} to gate^{H8179} an hundred^{H3967} cubits^{H520}. **24** After that he brought^{H3212} me toward^{H1870} the south^{H1864}, and behold a gate^{H8179} toward^{H1870} the south^{H1864}: and he measured^{H4058} the posts^{H352} thereof and the arches^{H361} thereof according to these measures^{H4060}. **25** And there were windows^{H2474} in it and in the arches^{H361} thereof round about^{H5439}, like those windows^{H2474}: the length^{H753} was fifty^{H2572} cubits^{H520}, and the breadth^{H7341} five^{H2568} and twenty^{H6242} cubits^{H520}. **26** And there were seven^{H7651} steps^{H4609} to go up^{H5930} to it, and the arches^{H361} thereof were before^{H6440} them: and it had palm trees^{H8561}, one^{H259} on this side, and another^{H259} on that side, upon the posts^{H352} thereof.

27 And there was a gate^{H8179} in the inner^{H6442} court^{H2691} toward^{H1870} the south^{H1864}: and he measured^{H4058} from gate^{H8179} to gate^{H8179} toward^{H1870} the south^{H1864} an hundred^{H3967} cubits^{H520}. **28** And he brought^{H935} me to the inner^{H6442} court^{H2691} by the south^{H1864} gate^{H8179}: and he measured^{H4058} the south^{H1864} gate^{H8179} according to these measures^{H4060}; **29** And the little chambers^{H8372} thereof, and the posts^{H352} thereof, and the arches^{H361} thereof, according to these measures^{H4060}: and there were windows^{H2474} in it and in the arches^{H361} thereof round about^{H5439}: it was fifty^{H2572} cubits^{H520} long^{H753}, and five^{H2568} and twenty^{H6242} cubits^{H520} broad^{H7341}. **30** And the arches^{H361} round about^{H5439} were five^{H2568} and twenty^{H6242} cubits^{H520} long^{H753}, and five^{H2568} cubits^{H520} broad^{H7341}. **31** And the arches^{H361} thereof were toward the utter^{H2435} court^{H2691}; and palm trees^{H8561} were upon the posts^{H352} thereof: and the going up^{H4608} to it had eight^{H8083} steps^{H4609}. **32** And he brought^{H935} me into the inner^{H6442} court^{H2691} toward^{H1870} the east^{H6921}: and he measured^{H4058} the gate^{H8179} according to these measures^{H4060}. **33** And the little chambers^{H8372} thereof, and the posts^{H352} thereof, and the arches^{H361} thereof, were according to these measures^{H4060}: and there were windows^{H2474} therein and in the arches^{H361} thereof round about^{H5439}: it was fifty^{H2572} cubits^{H520} long^{H753}, and five^{H2568} and twenty^{H6242} cubits^{H520} broad^{H7341}. **34** And the arches^{H361} thereof were toward the outward^{H2435} court^{H2691}; and palm trees^{H8561} were upon the posts^{H352} thereof, on this side, and on that side: and the going up^{H4608} to it had eight^{H8083} steps^{H4609}. **35** And he brought^{H935} me to the north^{H6828} gate^{H8179}, and measured^{H4058} it according to these measures^{H4060}; **36** The little chambers^{H8372} thereof, the posts^{H352} thereof, and the arches^{H361} thereof, and the windows^{H2474} to it round about^{H5439}: the length^{H753} was fifty^{H2572} cubits^{H520}, and the breadth^{H7341} five^{H2568} and twenty^{H6242} cubits^{H520}. **37** And the posts^{H352} thereof were toward the utter^{H2435} court^{H2691}; and palm trees^{H8561} were upon the posts^{H352} thereof, on this side, and on that side: and the going up^{H4608} to it had eight^{H8083} steps^{H4609}. **38** And the chambers^{H3957} and the entries^{H6607} thereof were by the posts^{H352} of the gates^{H8179}, where they washed^{H1740} the burnt offering^{H5930}.

39 And in the porch^{H197} of the gate^{H8179} were two^{H8147} tables^{H7979} on this side, and two tables^{H7979} on that side, to slay^{H7819} thereon the burnt offering^{H5930} and the sin offering^{H2403} and the trespass offering^{H817}. **40** And at the side^{H3802} without^{H2351}, as one goeth up^{H5927} to the entry^{H6607} of the north^{H6828} gate^{H8179}, were two^{H8147} tables^{H7979}; and on the other^{H312} side^{H3802}, which was at the porch^{H197} of the gate^{H8179}, were two^{H8147} tables^{H7979}. **41** Four^{H702} tables^{H7979} were on this side, and four^{H702} tables^{H7979} on that side, by the side^{H3802} of the gate^{H8179}; eight^{H8083} tables^{H7979}, whereupon they slew^{H7819} their sacrifices. **42** And the four^{H702} tables^{H7979} were of hewn^{H1496} stone^{H68} for the burnt offering^{H5930}, of a cubit^{H520} and an half^{H2677} long^{H753}, and a cubit^{H520} and an half^{H2677} broad^{H7341}, and one^{H259} cubit^{H520} high^{H1363}: whereupon also they laid^{H3240} the instruments^{H3627} wherewith they slew^{H7819} the burnt offering^{H5930} and the sacrifice^{H2077}. **43** And within^{H1004} were hooks^{H8240}, an^{H259} hand^{H2948} broad, fastened^{H3559} round about^{H5439}: and upon the tables^{H7979} was the flesh^{H1320} of the offering^{H7133}. **44** And without^{H2351} the inner^{H6442} gate^{H8179} were the chambers^{H3957} of the singers^{H7891} in the inner^{H6442} court^{H2691}, which was at the side^{H3802} of the north^{H6828} gate^{H8179}; and their prospect^{H6440} was toward^{H1870} the south^{H1864}: one^{H259} at the side^{H3802} of the east^{H6921} gate^{H8179} having the prospect^{H6440} toward^{H1870} the north^{H6828}. **45** And he said^{H1696} unto me, This^{H2090} chamber^{H3957}, whose prospect^{H6440} is toward^{H1870} the south^{H1864}, is for the priests^{H3548}, the keepers^{H8104} of the charge^{H4931} of the house^{H1004}. **46** And the chamber^{H3957} whose prospect^{H6440} is toward^{H1870} the north^{H6828} is for the priests^{H3548}, the keepers^{H8104} of the charge^{H4931} of the altar^{H4196}: these are the sons^{H1121} of Zadok^{H6659} among the sons^{H1121} of Levi^{H3878}, which come near^{H7131} to the

LORD^{H3068} to minister^{H8334} unto him. **47** So he measured^{H4058} the court^{H2691}, an hundred^{H3967} cubits^{H520} long^{H753}, and an hundred^{H3967} cubits^{H520} broad^{H7341}, foursquare^{H7251}; and the altar^{H4196} that was before^{H6440} the house^{H1004}. **48** And he brought^{H935} me to the porch^{H197} of the house^{H1004}, and measured^{H4058} each post^{H352} of the porch^{H197}, five^{H2568} cubits^{H520} on this side, and five^{H2568} cubits^{H520} on that side: and the breadth^{H7341} of the gate^{H8179} was three^{H7969} cubits^{H520} on this side, and three^{H7969} cubits^{H520} on that side. **49** The length^{H753} of the porch^{H197} was twenty^{H6242} cubits^{H520}, and the breadth^{H7341} eleven^{H6249 H6240} cubits^{H520}; and he brought me by the steps^{H4609} whereby they went up^{H5927} to it: and there were pillars^{H5982} by the posts^{H352}, one^{H259} on this side, and another^{H259} on that side.

Fußnoten

1. by which: or, upon which
2. which looketh...: Heb. whose face was the way toward the east
3. space: Heb. limit, or, bound
4. narrow: Heb. closed
5. arches: or, galleries, or, porches
6. inward: or, within
7. without: or, from without
8. that looked: Heb. whose face was
9. arches: or, galleries, or, porches
10. broad: Heb. breadth
11. as one...: or, at the step
12. hooks: or, and irons, or, the two hearthstones
13. charge: or, ward, or, ordinance
