

Ezekiel 41

Englische King James Version von 1611/1769 mit Strongs

1 Afterward he brought^{H935} me to the temple^{H1964}, and measured^{H4058} the posts^{H352}, six^{H8337} cubits^{H520} broad^{H7341} on the one side^{H6311}, and six^{H8337} cubits^{H520} broad^{H7341} on the other side^{H6311}, which was the breadth^{H7341} of the tabernacle^{H168}. 2 And the breadth^{H7341} of the door^{H6607} was ten^{H6235} cubits^{H520}; and the sides^{H3802} of the door^{H6607} were five^{H2568} cubits^{H520} on the one side, and five^{H2568} cubits^{H520} on the other side: and he measured^{H4058} the length^{H753} thereof, forty^{H705} cubits^{H520}: and the breadth^{H7341}, twenty^{H6242} cubits^{H520}. 3 Then went^{H935} he inward^{H6441}, and measured^{H4058} the post^{H352} of the door^{H6607}, two^{H8147} cubits^{H520}; and the door^{H6607}, six^{H8337} cubits^{H520}; and the breadth^{H7341} of the door^{H6607}, seven^{H7651} cubits^{H520}. 4 So he measured^{H4058} the length^{H753} thereof, twenty^{H6242} cubits^{H520}; and the breadth^{H7341}, twenty^{H6242} cubits^{H520}, before^{H6440} the temple^{H1964}: and he said^{H559} unto me, This is the most^{H6944} holy^{H6944} place. 5 After he measured^{H4058} the wall^{H7023} of the house^{H1004}, six^{H8337} cubits^{H520}; and the breadth^{H7341} of every side chamber^{H6763}, four^{H702} cubits^{H520}, round about^{H5439} the house^{H1004} on every side^{H5439}. 6 And the side^{H6763} chambers^{H6763} were three^{H7969}, one over another^{H6763}, and thirty^{H7970} in order^{H6471}; and they entered^{H935} into the wall^{H7023} which was of the house^{H1004} for the side chambers^{H6763} round about^{H5439}, that they might have hold^{H270}, but they had not hold^{H270} in the wall^{H7023} of the house^{H1004}. 7 And there was an enlarging^{H7337}, and a winding about^{H5437} still upward^{H4605} to the side chambers^{H6763}: for the winding about^{H4141} of the house^{H1004} went still upward^{H4605} round about^{H5439} the house^{H1004}: therefore the breadth^{H7341} of the house^{H1004} was still upward^{H4605}, and so increased^{H5927} from the lowest^{H8481} chamber to the highest^{H5945} by the midst^{H484}. 8 I saw^{H7200} also the height^{H1363} of the house^{H1004} round about^{H5439}: the foundations^{H4328} of the side chambers^{H6763} were a full^{H4393} reed^{H7070} of six^{H8337} great^{H679} cubits^{H520}. 9 The thickness^{H7341} of the wall^{H7023}, which was for the side chamber^{H6763} without^{H2351}, was five^{H2568} cubits^{H520}: and that which was left^{H3240} was the place^{H1004} of the side chambers^{H6763} that were within^{H1004}. 10 And between the chambers^{H3957} was the wideness^{H7341} of twenty^{H6242} cubits^{H520} round about^{H5439} the house^{H1004} on every side^{H5439}. 11 And the doors^{H6607} of the side chambers^{H6763} were toward the place that was left^{H3240}, one door^{H6607} toward^{H1870} the north^{H6828}, and another^{H259} door^{H6607} toward the south^{H1864}: and the breadth^{H7341} of the place^{H4725} that was left^{H3240} was five^{H2568} cubits^{H520} round about^{H5439}.

12 Now the building^{H1146} that was before^{H6440} the separate place^{H1508} at the end^{H6285} toward^{H1870} the west^{H3220} was seventy^{H7657} cubits^{H520} broad^{H7341}; and the wall^{H7023} of the building^{H1146} was five^{H2568} cubits^{H520} thick^{H7341} round about^{H5439}, and the length^{H753} thereof ninety^{H8673} cubits^{H520}. 13 So he measured^{H4058} the house^{H1004}, an hundred^{H3967} cubits^{H520} long^{H753}; and the separate place^{H1508}, and the building^{H1140}, with the walls^{H7023} thereof, an hundred^{H3967} cubits^{H520} long^{H753}; 14 Also the breadth^{H7341} of the face^{H6440} of the house^{H1004}, and of the separate place^{H1508} toward the east^{H6921}, an hundred^{H3967} cubits^{H520}. 15 And he measured^{H4058} the length^{H753} of the building^{H1146} over against^{H6440} the separate place^{H1508} which was behind^{H310} it, and the galleries^{H862} thereof on the one side and on the other side, an hundred^{H3967} cubits^{H520}, with the inner^{H6442} temple^{H1964}, and the porches^{H197} of the court^{H2691}. 16 The door posts^{H5592}, and the narrow^{H331} windows^{H2474}, and the galleries^{H862} round about^{H5439} on their three stories^{H7969}, over against^{H5048} the door^{H5592}, cieled^{H7824} with wood^{H6086} round about^{H5439}, and from the ground^{H776} up to the windows^{H2474}, and the windows^{H2474} were covered^{H3680}. 17 To that above the door^{H6607}, even unto the inner^{H6442} house^{H1004}, and without^{H2351}, and by all the wall^{H7023} round about^{H5439} within^{H6442} and without^{H2435}, by measure^{H4060}. 18 And it was made^{H6213} with cherubims^{H3742} and palm trees^{H8561}, so that a palm tree^{H8561} was between a cherub^{H3742} and a cherub^{H3742}; and every cherub^{H3742} had two^{H8147} faces^{H6440}; 19 So that the face^{H6440} of a man^{H120} was toward the palm tree^{H8561} on the one side, and the face^{H6440} of a young lion^{H3715} toward the palm tree^{H8561} on the other side: it was made^{H6213} through all the house^{H1004} round about^{H5439}. 20 From the ground^{H776} unto above the door^{H6607} were cherubims^{H3742} and palm trees^{H8561} made^{H6213}, and on the wall^{H7023} of the temple^{H1964}. 21 The posts^{H4201} of the temple^{H1964} were squared^{H7251}, and the face^{H6440} of the sanctuary^{H6944}; the appearance^{H4758} of the one as the

appearance^{H4758} of the other.¹⁰ **22** The altar^{H4196} of wood^{H6086} was three^{H7969} cubits^{H520} high^{H1364}, and the length^{H753} thereof two^{H8147} cubits^{H520}; and the corners^{H4740} thereof, and the length^{H753} thereof, and the walls^{H7023} thereof, were of wood^{H6086}; and he said^{H1696} unto me, This is the table^{H7979} that is before^{H6440} the LORD^{H3068}. **23** And the temple^{H1964} and the sanctuary^{H6944} had two^{H8147} doors^{H1817}. **24** And the doors^{H1817} had two^{H8147} leaves^{H1817} apiece, two^{H8147} turning^{H4142} leaves^{H1817}; two^{H8147} leaves for the one^{H259} door^{H1817}, and two^{H8147} leaves^{H1817} for the other^{H312} door. **25** And there were made^{H6213} on them, on the doors^{H1817} of the temple^{H1964}, cherubims^{H3742} and palm trees^{H8561}, like as were made^{H6213} upon the walls^{H7023}; and there were thick^{H5646} planks^{H6086} upon the face^{H6440} of the porch^{H197} without^{H2351}. **26** And there were narrow^{H331} windows^{H2474} and palm trees^{H8561} on the one side and on the other side, on the sides^{H3802} of the porch^{H197}, and upon the side chambers^{H6763} of the house^{H1004}, and thick planks^{H5646}.
