

Job 35

Englische King James Version von 1611/1769 mit Strongs

1 Elihu^{H453} spake^{H6030} moreover, and said^{H559}, **2** Thinkest^{H2803} thou this to be right^{H4941}, that thou saidst^{H559}, My righteousness^{H6664} is more than God's^{H410}? **3** For thou saidst^{H559}, What advantage^{H5532} will it be unto thee? and, What profit^{H3276} shall I have, if I be cleansed from my sin^{H2403}?¹ **4** I will answer^{H7725} H4405 thee, and thy companions^{H7453} with thee.² **5** Look^{H5027} unto the heavens^{H8064}, and see^{H7200}; and behold^{H7789} the clouds^{H7834} which are higher^{H1361} than thou. **6** If thou sinnest^{H2398}, what doest^{H6466} thou against him? or if thy transgressions^{H6588} be multiplied^{H7231}, what doest^{H6213} thou unto him? **7** If thou be righteous^{H6663}, what givest^{H5414} thou him? or what receiveth^{H3947} he of thine hand^{H3027}? **8** Thy wickedness^{H7562} may hurt a man^{H376} as thou art; and thy righteousness^{H6666} may profit the son^{H1121} of man^{H120}.

9 By reason of the multitude^{H7230} of oppressions^{H6217} they make the oppressed to cry^{H2199}: they cry out^{H7768} by reason of the arm^{H2220} of the mighty^{H7227}. **10** But none saith^{H559}, Where is God^{H433} my maker^{H6213}, who giveth^{H5414} songs^{H2158} in the night^{H3915}; **11** Who teacheth^{H502} us more than the beasts^{H929} of the earth^{H776}, and maketh us wiser^{H2449} than the fowls^{H5775} of heaven^{H8064}? **12** There they cry^{H6817}, but none giveth answer^{H6030}, because^{H6440} of the pride^{H1347} of evil men^{H7451}. **13** Surely God^{H410} will not hear^{H8085} vanity^{H7723}, neither will the Almighty^{H7706} regard^{H7789} it.

14 Although^{H637} thou sayest^{H559} thou shalt not see^{H7789} him, yet judgment^{H1779} is before^{H6440} him; therefore trust^{H2342} thou in him. **15** But now, because it is not so, he hath visited^{H6485} in his anger^{H639}; yet he knoweth^{H3045} it not in great^{H3966} extremity^{H6580}.³⁴ **16** Therefore doth Job^{H347} open^{H6475} his mouth^{H6310} in vain^{H1892}; he multiplieth^{H3527} words^{H4405} without^{H1097} knowledge^{H1847}.
